**Overall Length:**

1.608 inches

**Overall Diameter:**

2.187 inches

**Tube Pin Hole Diameter:**

0.244 inches

**Special Features:**

All parts except pin, compression spring, and insulators shall be gold plated

**Material:**

Insulators-ceramic and inner spring, compression spring, and adapter-nickel alloy and pin, support, and spacer-steel, corrosion resisting and outer spring-steel, corrosion resisting and terminals-nickel silver

**Surface Treatment:**

Gold

**Surface Treatment:**

All parts except pin, compression spring, and insulators shall be gold plated

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T389-a
