Overall Length:

5.120 inches

Overall Height:

2.140 inches

Overall Width:

1.580 inches

Component Quantity:

2

Mounting Configuration:

Two 10-32unf 2a right thread

Component Controlling Agency:

Berg electronics corp. And u.S. Navy electronics supply office

Component Name:

Connector plug, electrical and adapter, cable to connector

Component Identifying Number:

20037 part no. And ms3057-12b part no.

Mounting Method:

Screw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
