Mating End Quantity:

1

Polarization Method:

Jackscrew

Shell Type:

Hood, top opening

Connector Cable Strain Relief Method:

Cable clamp

Criticality Code Justification:

Zzzy

Reference Number Differentiating Characteristics:

Material will be in accordance with ships parts control center activity hx quality control, manufacturing and testing specifications

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
