Body Style:

Rectangular shape

Overall Height:

0.930 inches

Body Width:

0.930 inches

Environmental Protection:

Shock resistant and vibration resistant

Mating End Quantity:

1

Polarization Method:

Mating end

Connector Locking Method:

Spring friction

Insert Material:

Plastic polyamide single mating end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
