Overall Length:

1.593 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

1.250 inches

Center To Center Distance Between Mounting Facilities Parallel To Width:

1.250 inches

Overall Height:

0.250 inches

Overall Width:

1.593 inches

End Application:

A-10a acft

Mounting Facility Type And Quantity:

4 nut

Material:

Aluminum alloy

Material:

Aluminum alloy

Surface Treatment:

Anodize

Style Designator:

Square shape

Surface Treatment:

Anodized aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
