Body Style:

Straight shape

Overall Length:

2.000 inches

Overall Height:

0.525 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

1 row of contacts non-inserted board single mating end

Connector Locking Method:

Friction

Insert Material:

Plastic single mating end

Criticality Code Justification:

Feat

Special Features:

Tabulation marking p is 19, xa is 3c, a is 04 and b is 23

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
