Overall Length:

2.625 inches

Overall Height:

1.500 inches

Overall Width:

0.312 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

2 rows of contacts non-inserted board single mating end

Polarization Method:

Guide pin/socket

Shell Type:

Hood, top opening

Connector Locking Method:

Friction

Insert Material:

Plastic single mating end

Shell Material:

Metal

Special Features:

Key code marking-ucw

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
