Overall Length:

11.000 inches

Overall Height:

1.280 inches

Overall Width:

0.750 inches

Component Quantity:

3

Mounting Configuration:

Two 0.228 in. Diameter holes 3.200 in. Apart

Component Controlling Agency:

General dynamics, electronics division

Component Name:

Connector, receptacle electrical

Component Identifying Number:

2120540 drawing no.

Component National Stock Number:

5935-01-131-0097

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
