Overall Length:

4.375 inches

Overall Height:

0.781 inches

Overall Width:

3.000 inches

Component Quantity:

5

Mounting Configuration:

Two mgt holes

Component Controlling Agency:

Hewlett-packard company

Component Name:

Connector, recetical electrical

Component Identifying Number:

02640-60016 drawing no.

Component National Stock Number:

5935-01-131-7951

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
