Mounting Configuration:

2 perpendicular slots on diagonal corners

Component Name:

Connector, receptacle, electrical; connector, receptacle, electrical; connector, receptacle, electrical; plate

Component Identifying Number:

-55302/58-d70y part no. And 12303255 drawing no. And 12303256 drawing no. And 12303438 drawing no.

Component National Stock Number:

5935-01-043-7773

Mounting Method:

Slot

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

T389-b
