Overall Length:

28.000 inches

Overall Height:

1.375 inches

Overall Width:

1.500 inches

Component Quantity:

7

Mounting Configuration:

Two 0.188 in. Diameter mtg holes 8 in. From ends

Component Controlling Agency:

Sgl industries inc

Component Name:

Connector, receptacle, electrical

Component Identifying Number:

4407 model no.

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
