Body Style:

Straight shape

Overall Length:

2.000 inches

Overall Height:

1.450 inches

Overall Width:

0.240 inches

Mating End Quantity:

1

Polarization Method:

Mating end

Connector Locking Method:

Friction

Insert Material:

Plastic polyamide single mating end

Specification Data:

53711-6714862 manufacturers source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
