Overall Length:

10.500 inches

Overall Height:

1.620 inches

Overall Width:

1.240 inches

Component Quantity:

3

Mounting Configuration:

Two 0.234 in dia. Mtg. Holes located one at each end

Component Controlling Agency:

Bendix corp, test systems division

Component Name:

Power strip

Component Identifying Number:

3596689 drawing no.

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
