Overall Length:

8.300 inches

Overall Height:

0.800 inches

Overall Width:

5.300 inches

End Application:

Radio set an/arc-174

Component Quantity:

136

Mounting Configuration:

Eight unthreaded mtg holes

Component Controlling Agency:

Collins radio company

Component Name:

Contact, male

Component Identifying Number:

372-2603-015 part no.

Mounting Method:

Hole

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
