View Online at https://aerobasegroup.com/nsn/5935-01-231-2648

Overall Length:
4.150 inches

Body Width:
0.250 inches

Body Height:
0.525 inches

Distance Between Mounting Facility Centers:
3.900 inches

Mating End Quantity:
1

Contact Material:

Copper alloy single mating end single contact grouping

**Contact Surface Treatment:** 

Gold single mating end single contact grouping

**Shell Material:** 

Plastic diallyl phthalate

**Included Contact Quantity:** 

66 single mating end single contact grouping

**Precious Material And Location:** 

Contact surf gold

**Precious Material:** 

Precious Materi

Gold

Shelf Life:

N/a

**Unit Of Measure:** 

--

Demilitarization:

No

Fiig:

A039b0
