Overall Length:

1.761 inches

Overall Height:

0.500 inches

Overall Width:

1.285 inches

Component Quantity:

2

Mounting Configuration:

Two 0.110 inch diameter mtg holes spaced 1.095 inches apart parallel to width

Component Controlling Agency:

Nexus corporation

Component Name:

Plug, telephone; jack, telephone

Component Identifying Number:

Tp-106-4 part no. And tj106-9 part no.

Mounting Method:

Bracket

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
