Electrical Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-248-9432

Body Style:
Straight shape
Overall Length:
0.780 inches
Overall Height:
0.530 inches
Overall Width:
0.190 inches
Distance Between Mounting Facility Centers:
0.562 inches
Mating End Quantity:
1
Contact Material:
Copper alloy single mating end single contact grouping
Contact Surface Treatment:
Gold single mating end single contact grouping
Shell Material:
Plastic diallyl phthalate
Included Contact Quantity:
7 single mating end single contact grouping
Included Contact Type:
Round socket single mating end single contact grouping
Precious Material And Location:
Contact surf gold
Precious Material:
Gold
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
