Body Style:

Straight shape

Overall Length:

31.4 millimeters

Overall Height:

32.3 millimeters

Overall Width:

18.1 millimeters

Mating End Quantity:

1

Contact Position Arrangement Style:

2 rows of contacts non-inserted board single mating end

Connector Locking Method:

Friction

End Application:

2420-01-160-2754 tractor, wheeled, industrial

Insert Material:

Plastic single mating end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
