Electrical Plug Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-255-1087

**Environmental Protection:** 

Corrosion resistant

Mating End Quantity:

1

# Contact Removability:

Removable single mating end single contact grouping

#### **Polarization Method:**

Keyway or multiple keyway

# **Insert Position In Deg:**

110.0

# **End Application:**

Ci41202 rs and stage iv

## **Terminal Type:**

Crimp single mating end single contact grouping

## Shell Material:

Aluminum alloy

## **Included Contact Quantity:**

99 single mating end single contact grouping

#### Included Contact Type:

Round socket single mating end single contact grouping

#### Shelf Life:

N/a

#### Unit Of Measure:

---

# Demilitarization:

No

#### Fiig:

A039b0
