Environmental Protection:

Corrosion resistant

Contact Removability:

Mating End Quantity:

Removable single mating end single contact grouping

End Application:

Ci41202 rs and stage iv

Terminal Type:

Crimp single mating end single contact grouping

Shell Material:

Aluminum alloy

Included Contact Quantity:

35 single mating end single contact grouping

Included Contact Type:

Round socket single mating end single contact grouping

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
