Body Style:

Straight shape

Overall Length:

1.300 inches

Overall Height:

1.000 inches

Overall Width:

0.900 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

2 rows of contacts non-inserted board single mating end

Polarization Method:

Shell

Connector Locking Method:

Friction

End Application:

3805-01-240-0995 ditching machine; nsn 2320-04-097-0260 hemtt (heavy expanded mobility tactical trucks).

Insert Material:

Plastic polypropylene single mating end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
