End Application:

2320-01-107-7153 truck, utility

Component Quantity:

2

Component Controlling Agency:

Espar products inc

Component Name:

Connector, plug, electrical; connector, receptacle, electrical

Component Identifying Number:

20631010 part no. And 20600085 part no.

Specification Data:

19207-11669531 manufacturers source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
