Overall Length:

2.673 inches

Mating End Quantity:

1

Contact Maximum Current Rating In Amps:

1.0 single mating end single contact grouping

Contact Maximum Ac Voltage Rating In Volts:

500.0 single mating end single contact grouping

Contact Surface Treatment:

Gold single mating end single contact grouping

Shell Material:

Plastic polyester glass filled

Included Contact Quantity:

50 single mating end single contact grouping

Precious Material And Location:

Contact plating gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
