Overall Length:

2.480 inches

Overall Diameter:

0.950 inches

Component Quantity:

2

Mounting Configuration:

Internally threaded nut

Component Controlling Agency:

Bendix corp, the electrical components div

Component Name:

Connector, plug electrical

Mounting Method:

Plug-in and connector

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
