Body Height:

Between 0.570 inches and 0.590 inches

Overall Diameter:

Between 0.560 inches and 0.580 inches

Mounting Facility Type And Quantity:

1 bayonet lock

Material:

Brass

Material:

Copper alloy

Surface Treatment:

Nickel

Style Designator:

Internal bayonet

Surface Treatment:

Nickel

Specification Data:

35012-107706 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10100
