Overall Length:

1.031 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

0.812 inches

Center To Center Distance Between Mounting Facilities Parallel To Width:

0.812 inches

Overall Height:

0.812 inches

Overall Width:

1.031 inches

Unthreaded Mounting Hole Diameter:

0.128 inches

Mounting Facility Type And Quantity:

4 unthreaded hole

Special Features:

Made from 76301 st5m1402-11: four drainage holes, 0.093 dia. Added

Material:

Metal

Surface Treatment:

Cadmium and nickel

Style Designator:

Rack and panel surface mounting

Surface Treatment:

Cadmium and nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A10100
