Body Style:

Straight shape

Overall Length:

0.395 inches

Overall Height:

0.421 inches

Overall Width:

0.259 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

1 row of contacts non-inserted board single mating end

Connector Locking Method:

Friction

End Application:

5895-01-316-2747 central communication

Insert Material:

Plastic polyamide single mating end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
