Overall Length:

6.630 inches

Overall Height:

0.928 inches

Overall Width:

2.010 inches

End Application:

An/alr-56c

Component Quantity:

4

Component Controlling Agency:

Defense electronics supply center

Component Name:

Connector, receptacle, electrical

Component Identifying Number:

86099-23-a-60 part no.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
