Body Style:

Rectangular shape

Overall Length:

0.465 inches

Overall Height:

0.660 inches

Overall Width:

0.305 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

1 row of contacts non-inserted board single mating end

Connector Locking Method:

Friction

End Application:

6625-01-212-3585 instrument controller

Insert Material:

Plastic polyamide single mating end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
