End Application:

6625-01-270-7786 analyzer, spectrum

General Description:

Black nylon; 0.400 in. Length; 0.360 in. Height; 0.330 in. Width; fits 4 circuit amp mts connector

Specification Data:

28480-1251-8994 manufacturers specification control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
