Body Style:

Rectangular shape

Overall Length:

1.016 inches

Overall Height:

0.695 inches

Overall Width:

0.270 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

2 rows of contacts non-inserted board single mating end

Connector Locking Method:

Friction

Insert Material:

Plastic single mating end

Criticality Code Justification:

Feat

Special Features:

Polarization is indicated by drawing 5839c32

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
