Overall Length:

4.250 inches

Overall Height:

2.750 inches

Overall Width:

2.000 inches

Unthreaded Mounting Hole Diameter:

0.219 inches

Mounting Facility Type And Quantity:

4 unthreaded hole

Special Features:

U-shaped connector mounting bracket, 1.780"dia. Hole for connector with 2 .159"dia mounting holes 180° apart and cable hole on right side .625"dia.

Material:

Aluminum

Material:

Aluminum

Surface Treatment:

Paint

Style Designator:

Irregular

Surface Treatment:

Painted

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10100
