Overall Length:

1.460 inches

Overall Diameter:

0.460 inches

Finger Type:

Split w/tensioner single finger

Special Features:

Idented black ring on body

Material:

Beryllium copper bushing

Material:

Copper alloy bushing

Precious Material And Location:

Contact surface gold

Precious Material:

Gold

Surface Treatment:

Gold bushing

Surface Treatment:

Gold bushing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03400
