Mating End Quantity:

1

Radio Frequency Type Contact Characteristic Impedance In Ohms:

75.0 single mating end single contact grouping

Terminal Type:

Crimp single mating end single contact grouping

Special Features:

Conforms to canadian specification control dwg 35181/ps172425.49.5.150; rg 307 u/a cable; crimp terminal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A039b0
