Body Style:

Rectangular shape

Overall Length:

0.900 inches

Overall Height:

0.555 inches

Overall Width:

0.100 inches

Mating End Quantity:

1

Contact Position Arrangement Style:

1 row of contacts non-inserted board single mating end

Connector Locking Method:

Friction

Insert Material:

Plastic polyester glass filled single mating end

Specification Data:

0d0d0-h314a003 manufacturers source control

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
