End Application:

Pacer dawn

Special Features:

Consists of one right hand and one left hand mounting ear, two screws, and two octagonal nuts

Material:

Plastic polyphenylene

Material Specification:

Mil-m-24519, type gst-40f military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A062a0

Mil-std (military Standard):

Mil-m-24519 spec.
