**Contact Maximum Current Rating In Amps:**

60.0 single mating end single contact grouping

**Contact Maximum Ac Voltage Rating In Volts:**

208.0 single mating end single contact grouping

**Special Features:**

Straight shape; male connection; one mating end; four pole, grounding through pole; five wire; vac 120

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A039b0
