Body Material:

Polyamide nylon

Contact Maximum Current Rating In Amps:

1.0

Contact Material:

Beryllium copper

Contact Surface Treatment:

Nickel and tin

Accommodated Contact Quantity:

40

Special Features:

2 rows of 20 socket terminal strip on 0.100sq centers

Terminal Type And Quantity:

40 printed circuit

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02300
