Electrical Receptacle Connector - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5935-01-394-2358

Body Style:
Angle shape, zero insertion
Mating End Quantity:
1
Polarization Method:
Mating end
Connector Locking Method:
Friction
End Application:
Pacer dawn
Included Contact Quantity:
25 single mating end single contact grouping
Supplementary Features:
Mounting method - unthreaded hole
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A039b0
