Body Style:

Angle shape

Overall Length:

1.650 inches

Overall Height:

1.900 inches

Mating End Quantity:

1

Shell Type:

Solid

End Application:

F16

Width Across Flats:

0.450 inches

Shell Material:

Copper alloy

Shell Material Specification:

B16-h02 assn standard all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A039b0
