End Application:

M1a2 tank

Component Quantity:

3

Component Controlling Agency:

General dynamics/army armament research, development, and engineering division

Component Name:

Bracket, stowage receptacle assembly

Component Identifying Number:

2932259 drawing no.

Component National Stock Number:

2350-01-328-5964

Mounting Method:

Bracket

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T389-b
