End Application:

F-15i

Component Quantity:

3

Component Name:

Connector

Component Identifying Number:

-24308/24-4f part no. And -24308/23-3f part no.

Special Features:

Original drawing name -connector assembly, battery

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T389-b
