End Application:

6625-01-431-8251

Special Features:

4c/o 28 voltage, current rating 1a, impedance, 50 ohms, connector type bnc, insulation material plastic, contact material phosphor bronze, gold plated, housing material zinc, nickel plated mounting no. 3/8-32 unc-2a threaded bushing, terminals: solder pin

Color:

Gray

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:
