Overall Length:

0.576 inches

Overall Height:

0.700 inches

Overall Width:

0.140 inches

End Application:

Electrical e/i fscm 81349

Mounting Facility Type And Quantity:

1 tab single mounting facility

Special Features:

Use with amp-latch universal header which mates with amp-latch connector with strain relief

Material:

Glass fiber

Style Designator:

Tab lock

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
