Overall Length:

0.300 inches

End Application:

Amplifier ele e/i fscm 55322

Component Quantity:

1

Mounting Method:

Pin

Special Features:

Black glass filled polyester insulator material

Precious Material And Location:

Contacts gold

Precious Material:

Gold

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T213-j
