Overall Length:

2.785 inches

Overall Height:

1.673 inches

Overall Width:

0.750 inches

Distance Between Mounting Facility Centers:

2.411 inches

End Application:

Opts, hybrid/i e/i fscm 26512

Size Designation:

5

Mounting Method:

Threaded hole

Special Features:

Vsplit shell; gasket material metex; jackscrews corrosion resistant stainless per qq-s-763; backshell finish cadmium plate, olive drab over electroless nickel (500 hour salt spray); temperature rating -65 degrees c to 199 degree c

Material:

Aluminum and steel

Surface Treatment:

Cadmium and passivate

Shape:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A506s0
