**Overall Length:**

2.785 inches

**Overall Height:**

1.673 inches

**Overall Width:**

0.750 inches

**Distance Between Mounting Facility Centers:**

2.411 inches

**End Application:**

Opts, hybrid/i e/i fscm 26512

**Size Designation:**

5

**Mounting Method:**

Threaded hole

**Special Features:**

Vsplit shell; gasket material metex; jackscrews corrosion resistant stainless per qq-s-763; backshell finish cadmium plate, olive drab over electroless nickel (500 hour salt spray); temperature rating -65 degrees c to 199 degree c

**Material:**

Aluminum and steel

**Surface Treatment:**

Cadmium and passivate

**Shape:**

Rectangular

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A506s0
