Thread Direction:

Right-hand

End Application:

Ac130u gids e/i fscm 06324

Size Designation:

12

Mounting Method:

Threaded coupling

Special Features:

Backshell, connector, emi/rfi environmental light duty; backshell and hardware material 300 series stainless steel; seals are silicone rubber

Material:

Steel

Surface Treatment:

Passivate

Shape:

Cylindrical

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A506s0
