Overall Length:

1.345 inches

Overall Height:

0.215 inches

Overall Width:

0.642 inches

Unthreaded Mounting Hole Diameter:

0.159 inches single mounting facility

End Application:

C-17a aircraft

Accommodated Item Securing Device Type:

Slotted bracket

Mounting Facility Type And Quantity:

1 unthreaded hole single mounting facility

Functional Description:

Mates with 5d0515 connectors

Style Designator:

Plate type

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A062a0
