Overall Length:

2.170 inches

Overall Height:

1.640 inches

Overall Width:

1.410 inches

End Application:

Block 89 upgr, aircraft, prowler ea-6b

Cable Opening Diameter:

Between 0.500 inches and 0.630 inches

Mounting Facility Type And Quantity:

2 threaded coupling

Special Features:

This adpater interfaces with mil-c-38999 series iii & iv connectors

Material:

Plastic

Surface Treatment:

Cadmium and nickel

Style Designator:

Straight type w/cable clamp

Surface Treatment:

Cadmium and nickel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A10100
